Barnet Southgate College

UPCOMING COURSE

Delivered in partnership with Wates Group - one of the largest privately-owned construction, development and property services companies in the UK.

Course Starts: 20th January 2020 10am
Brent Hub
6 Hillside,
Stonebridge London NW10 8BN

TOPICS COVERED DURING THE 10 DAY COURSE:

- Basics of starting work in the construction industry
- Health & safety and its principles
- Accidents at work
- Site safety & working at heights
- Improving your CV
- Preparing for an interview

PLUS: We prepare you for the Construction Skills Certification Scheme* (CSCS) test – to work on a construction site, you must pass this test and carry a CSCS card.

WHAT WILL YOU COME AWAY WITH?

- Level 1 ETA Health & Safety in Construction Environment Certificate
- We prepare you for your Health, Safety & Environment Labourer Test
- We book and pay for your CSCS test
- When you pass we even order your CSCS card!

• **PLUS:** Interview opportunities with Wates, members of their supply chain and our delivery partner O'Neill & Brennan - leading supplier of labour to the Construction industry, who can find you a job ideally suited to your skill set and location.
