

To order, please use this price list and send detailed requests (including weights and packaging requirements) to orders@patoka.co.uk
Please also provide: name, preferred email address, phone number, delivery address and any delivery instructions.

Alternatively, visit www.patoka.co.uk where the Collection/Delivery Service page has a contact form with a link to this document.

Either way, we will prepare your order and then bill you with the final cost. **Delivery will be confirmed upon receipt of payment.** All deliveries will be doorstep drop-offs, unless pre-arranged.

If you know elderly people in the wider area who are in need of supplies, you can provide us with their phone number (with their permission, of course!), and we can call to arrange a doorstep drop off.
